

“SPIRIT–FILLED LIVING”

February 17, 2005

Pastor Lehman D. Bates, Instructor

Session Topic: “THE LIVING GOD”

Jeremiah 10 – 11

All we have to do is study the words, works and ways of Christ Jesus, who is the expressed image of his Father, if we are to know if God exists, and what He is like. This information is found in The Holy Scripture. It is in and through Christ, who is called “The Living Word” (John 1:14, 18; Heb. 1:1) where we have the complete revelation of God. In Him is the Fullness of the Godhead. In Him the Thought of God finds utterance and expression (John 1:1–3). God was and is a Glorious reality to Christ Jesus, who revealed the Supreme and Sacred Relationship of Love existing between them.

The following information is provided on the Nature, Names and Attributes of God for the Substance, Sanctification and Support of “Spirit-Filled Living.”
