“Can two walk together, except they agree?”

Amos 3:3

THESIS: Inherent in the word walk is the meaning which also speaks to a persons manner of life.

Introduction

In Scripture the word “walk” addresses a persons whole course of life. Past; present; future. In reference to believers, their walk is spoken of in different ways: as walking with God; walking before God; and walking after God. Let’s look at the believer “walking with God.”

No one’s walk with God will be Empowering, Edifying, Equipped, Enriching, Encouraging, Enduring and Enjoyable: 1) without being in agreement with God, 2) without abiding in and with God and 3) without full acknowledgment of God.
